Technical Proficiency / Skills	● **Programming Skills :** C, JAVA, Python, MySQL, Data structures, Formal Automata Theory. ● **Cloud Computing** : AWS ● **Web Development :** HTML, CSS, Javascript ,Node.js, React.js,MongoDB,Express.js

Work Experience

Shuruwat Foundation   **Jun 2021- Aug 2022**

Designed and conducted surveys to gather valuable feedback from the community and stakeholders.

Analyzed survey data to identify key areas of improvement and to understand the impact of the foundation's initiatives.

Reported findings to the team, providing actionable insights to enhance program effectiveness and community satisfaction.

I authored several blogs that highlighted the foundation's initiatives, success stories, and community programs. These blogs were designed to engage the audience, spread awareness, and inspire action. I focused on crafting compelling narratives that conveyed the foundation's impact and the importance of its work.

Projects (Major / Minor)

Todo App:

The To-Do App is designed to help users manage their tasks efficiently and effectively. It provides a simple yet powerful interface for creating, updating, and tracking tasks, ensuring that users stay organized and productive.

0X game :

The 0X Game, also known as Tic-Tac-Toe, is a classic two-player game where the objective is to be the first to get three of your marks in a row, either horizontally, vertically, or diagonally, on a 3x3 grid.

Sudoku :

The Sudoku Game is an engaging and interactive puzzle game designed to challenge your logic and problem-solving skills.

This digital version of the classic Sudoku puzzle features a clean and intuitive interface, multiple difficulty levels

Google Meet Clone :

Google Meet clone in which multiple users can face to face talk to each other at a time

Certifications

Full Stack Cohort by Harkirath Singh
AWS Academy Cloud Computing Architecting Semester 1
AWS Academy Cloud Computing Architecting Semester 2
AWS Academy Introduction to Semester 2

Honors and Recognitions

Represented college in North Zone Inter University..
5 Star C, 3 Star Java, 2 Star Python on Hackerrank.
